

Conference Programme

- British Rhinological Society
- Facial Plastic Surgery Section
- British Association for Paediatric Otolaryngology
- Collaborative Sessions
- British Laryngological Association
- British Society of Otology
- Head and Neck Society Section
- British Skull Base Society
- Sociedade Brasileira de Otorrinolaringologia e Cirurgia Cevico-Facial
- Indian Academy of Otolaryngology-Head and Neck Surgery
- Instructional Sessions
- Keynote Plenary

WEDNESDAY 4 JULY 2018								
08:00 - 09:00	Refreshments							
09:00 - 10:00	Session 1	Session 2	Session 3					
	Charter 1	Charter 2	Charter 4					
	Emergency Safety Cadaver Dissection (08.30 - 10.00)	YCOHNS Symposium 10 things new ENT consultants want to know	Innovation Symposium The landscape for medical innovation					
10:00 - 10:15	Master's Welcome Exchange Auditorium Professor Valerie J Lund CBE, BACO International 2018 Master							
10:15 - 11:00	Keynote Plenary - Exchange Auditorium Lessons learnt for medicine and science from research in extreme environments Professor Hugh Montgomery							
11:00 - 11:45	Refreshments, networking, poster and exhibition viewing							
11:45 - 13:15	Session 5	Session 6	Session 7	Session 8	Session 9	Session 10	Session 11	Session 12
	Exchange 10	Charter 1	Charter 2	Exchange 11	Charter 4	Charter 3	Exchange Auditorium	Exchange 9
	Mixed free papers	BRS Cadaver Dissection Sphenoid and maxillary sinus	RSM Symposium Managing unusual complications during ear surgery.	FPS Keynote The past present and future of facial plastic surgery	BAPO Keynote Paediatric airway - surgery, registries and experience	HNSOC/BRS Collaborative Optimal Surgical approach to sinonasal cancers	BSO/BSBS Collaborative Vestibular schwannoma management	BLA Keynote Evolution, current and future trends in laryngology
13:15 - 14:15	Lunch							
14:15 - 15:15	Session 13	Session 14	Session 15	Session 16	Session 17	Session 18	Session 19	Session 20
	Exchange Auditorium	Charter 1	Exchange 9	Charter 4	Exchange 11	Charter 3	Charter 2	Exchange 10
	Lionel Colledge Lecture How to conceive, execute and deliver on clinical trials Dr Anil D'Cruz	BLA Cadaver Dissection Laryngeal framework surgery	BAPO Update Emergency paediatric ENT- an update	BOARS Symposium Introduction to BOARS, our new research society	History of ENT Symposium Four fascinating stories from the past	BSO Symposium Middle ear surgery	BRS Symposium Snoring and OSA	Yearsley Lecture Teaching, teachers and the phoenix effect Mr Mike Rothera
15:15 - 16:15	Session 21	Session 22	Session 23	Session 24	Session 25	Session 26	Session 27	Session 28
	Charter 3	Charter 1	Exchange Auditorium	Charter 4	Exchange 9	Charter 2	Exchange 10	Exchange 11
	HNSOC Symposium Management of benign salivary tumours	BRS Cadaver Dissection Approches to the frontal sinus	BLA Update Voice disorders	E-lefENT Symposium Official relaunch: making e-learning work for you	AOT Symposium ENT trainees Q & A session	BAPO Symposium Neck lumps in children	FPS Symposium Rhinoplasty	BSO Symposium Otoendoscopy

Conference Programme

WEDNESDAY 4 JULY 2018

16:15 - 16:45 Refreshments, networking, poster and exhibition viewing

Instructional sessions									
	Session ISW1	Session ISW2	Session ISW3	Session ISW4	Session ISW5	Session ISW6	Session ISW7	Session ISW8	Session ISW9
	Cobden 1	Charter 1	Cobden 4	Central 6	Exchange 2	Exchange 3	Cobden 2	Charter 2	Central 5
	Laryngeal trauma - external and endolaryngeal impact and its management	Applying for fellowships	Reconstruction of hypopharynx and cervical oesophagus defects	Cochlear implantation in ossified cochlea: case scenarios	Paediatric balloon sinuplasty	Parathyroid surgery - how to improve your success rate?	Management of olfactory and gustatory disorders	All the mistakes we've made taking the endoscope-i from concept to global dominance	Office-based laser surgery
	Session ISW10	Session ISW11	Session ISW12	Session ISW13	Session ISW14	Session ISW15	Session ISW16	Session ISW17	Session ISW18
	Charter 3	Exchange 4	Charter 4	Exchange 5	Exchange 9	Exchange 6	Exchange 10	Central 7	Central 8
16.45 - 17.45	What I have learned from carrying out 500 stapes operations over 25 years	Dacryocystorhinostomy (DCR): a bi-disciplinary approach	Getting into ENT Training - How to prepare your portfolios for ST1 and ST3 ENT	The use of experience based co-design (EBCD) to improve pre-treatment services for patients with head and neck cancer (HNC)	ENT medical training initiative scheme for trainees and local / regional sponsors. How does it work in practice? Questions and answers session.	How to set up a successful Junior Committee: The European Rhinology Society (ERS) Junior Members Board	Occupational hazards affecting ENT surgeons - how to maintain a healthy career	The role of the vitreal clinic in ENT	What otolaryngologists must know about human papillomavirus
	Session ISW19	Session ISW20	Session ISW21	Session ISW22	Session ISW23				
	Cobden 3	Exchange 1	Exchange Auditorium	Exchange 7	Exchange 11				
	Efficiency, productivity and safety - engineering a better value service	How do I do it: Sedation and local anaesthetic technique for high risk patients undergoing functional endoscopic sinus surgery	Working in the Antipodes	Managing the master gland - multidisciplinary pituitary service	Comprehensive management of HHT				

Conference Programme

THURSDAY 5 JULY 2018									
08.00 - 09.00	Session 29	Session 30	Session 31	Session 32	Session 32.2	Session 32.3	Session 32.4		
	Charter 2	Charter 3	Charter 4	Exchange 9	Exchange 11	Exchange 10	Exchange Auditorium		
	Because sound matters sponsored by Oticon Medical	Immuno-Oncology: What do we need to know? sponsored by Bristol-Myers Squibb	Early Intervention in CRS and ETD...What does this look like and what do we do next? sponsored by Entellus Medical	Narrow Band Imaging: cords in the spotlight at last? sponsored by Olympus	Women in ENT Symposium	SAS Doctors Symposium	Hot Topic Open forum on standards in paediatric ENT		
09.00 - 10.00	Keynote Plenary - Exchange Auditorium Social determinants and health equity Professor Sir Michael Marmot								
10.00 - 11.00	Session 34	Session 35	Session 36	Session 37	Session 38	Session 39	Session 40	Session 41	
	Exchange Auditorium	Charter 1	Charter 3	Charter 4	Exchange 9	Charter 2	Exchange 10	Exchange 11	
	Lionel Colledge Lecture (Rhinology) Anatomy of the sinus and skull base and its surgical applications Professor Aldo Stamm	HNSOC Cadaver Dissection Endoscopic transoral oropharyngeal surgery	BRS Update	BSBS Symposium Surgical neurotology	BSO Symposium Where next for the dizzy patient?	BLA Symposium Ten top tips for laryngology	BAPO Symposium Paediatric OSA- innovation and developments	Global Health Symposium Global Health: preparing for the future	
11.00 - 11.45	Refreshments, networking, poster and exhibition viewing								
11.45 - 13.15	Session 42	Session 43	Session 44	Session 45	Session 46	Session 47	Session 48	Session 49	
	Charter 4	Charter 1	Exchange 11	Exchange Auditorium	Charter 3	Charter 2	Exchange 10	Exchange 9	
	BRS Keynote Cutting edge rhinology - now and the future	BSO Cadaver Dissection Cochlear implantation/tympmanomastoidectomy	SAC/NAPDENT Symposium Future of surgical training	BAPO/BSO Collaborative Ear reconstruction	FPS/HNSOC Collaborative Management dilemmas in the face and neck	BSBS/BLA Collaborative Laryngeal rehabilitation after skull base surgery	RCSLT Symposium Improving communication and swallowing outcomes in benign and malignant disease	HNSOC Symposium Early oropharynx cancer	
13:15 - 14:15	Lunch								
14.15 - 15.15	Session 50	Session 51	Session 52	Session 53	Session 54	Session 55	Session 56	Session 57	Session 57.2
	Exchange 10	Charter 1	Exchange 9	Charter 4	Exchange 11	Charter 2	Charter 3	Exchange Auditorium	Exchange 1
	Undergraduate ENT	HNSOC Cadaver Dissection Parathyroid/laryngectomy	HNSOC Update Thyroid & head and neck cancer	Sociedade Brasileira de Otorrinolaringologia e Cirurgia Cervico-Facial Symposium Top Otology Brazil 2018	FPS Symposium Facial reconstruction	BVA Symposium The voice at work: innovation, acceleration and protection of working voices	BSO Symposium Cochlear implants	BSBS Symposium Approaches to the anterior skull base	Royal College of Nursing Symposium ENT/head and Neck nurses - developing practice

Conference Programme

THURSDAY 5 JULY 2018											
15.15 - 16.15	Session 58	Session 59	Session 60	Session 61	Session 62	Session 63	Session 64	Session 65			
	Exchange 11	Charter 1	Charter 2	Exchange Auditorium	Exchange 9	Charter 3	Charter 4	Exchange 10			
	NIHR Symposium How to set up a successful programme of research within the NIHR	BAPO Cadaver Dissection Laryngotracheal surgery	BSBS Update Skull base update - the full 360 degrees	BRS Symposium Case based controversies in chronic rhinosinusitis	BSO Symposium Middle ear implants and bone anchored hearing aids	BLA Symposium Laryngeal airway dysfunction	Indian Academy of Otolaryngology-Head and Neck Surgery Symposium Affordable advanced technology in India	Otology free papers			
16.15 - 16.45	Refreshments, networking, poster and exhibition viewing										
Instructional sessions											
16.45 - 17.45	Session IST1	Session IST2	Session IST3	Session IST4	Session IST5	Session IST6	Session IST7	Session IST8	Session IST9	Session IST10	Session IST11
	Cobden 1	Central 6	Charter 1	Cobden 4	Cobden 2	Central 5	Central 7	Central 8	Charter 2	Charter 3	Exchange 2
	Compromised and critical airway in a child - evaluation of infantile stridor	A surgical algorithm for patients with snoring and sleep apnoea	Applying for ENT consultant posts	How to produce an international consensus document in otology	Inside out: oropharyngeal anatomy for the transoral surgeon	Pre- and post-CCT Clinical Fellowship opportunities in subspecialty ENT	Streaming ENT patient pathways via lean management techniques	V-Y Conchal flap Meatoplasty. An underused cure for otitis externa and troublesome wax	Endoscopic ear surgery; pearls & pitfalls	Moving towards day-case parotid surgery	Open partial horizontal laryngectomies (OPHLs): a step by step approach
	Session IST12	Session IST13	Session IST14	Session IST15	Session IST16	Session IST17	Session IST18	Session IST19	Session IST20	Session IST21	Session IST22
	Charter 4	Exchange 1	Exchange 9	Exchange 10	Exchange 11	Exchange 3	Exchange 4	Exchange 5	Exchange Auditorium	Cobden 3	Exchange 6
	Open excision pharyngeal pouch. Current advances	The dizzy child - assessing balance in a child - how we do it	Taking novel hearing therapies from bench to outside - what ENT surgeons and audiologists need to know	From the Hillsborough Disaster to Healthcare Disasters - lessons in how we learn from error, and why we don't	Septoplasty - getting it right the first time!	[Withdrawn by speaker]	Tips and tricks in surgery to the parapharyngeal space	Tips and pearls in managing sinonasal inverted papilloma	Healthcare models - can we design an ideal National Health Service	Innovations for the removal of challenging airway foreign bodies	Advanced transnasal oesophagoscopy
	Session IST23										
Exchange 7											
Paediatric auditory brain stem implantation											

For the full programme please download the app from your app store, searching BAC02018.

Conference Programme

FRIDAY 6 JULY 2018									
08.00 - 09.00	Session 66	Session 67							
	Charter 1	Charter 2							
	Independent Practice Symposium Tax, pensions and more!	Symposium Burnout - What is it? Do you have it? What can you do about it?							
09.00 - 09.45	Keynote Plenary - Exchange Auditorium The Media: Friend or Foe? Mr Lawrence McGinty								
10.00 - 11.00	Session 71	Session 72	Session 73	Session 74	Session 75	Session 76	Session 77	Session 78	Session 78.2
	Charter 3	Charter 1	Exchange Auditorium	Charter 4	Exchange 11	Exchange 9	Charter 2	Exchange 10	Exchange 1
	HNSOC Symposium What is the role of surgery in early laryngeal cancer?	BSO Cadaver Dissection Endolymphatic duct clipping	BSO Update Otology	Sociedade Brasileira de Otorrinolaringologia e Cirurgia Cervico-Facial Symposium Top Laryngology Brazil 2018	BSBS Symposium Managing complex skull base cases	BRS Symposium Orbit and Brain - Modern approaches to the complications of sinusitis	BAPO Symposium Paediatric hearing loss	British Cochlear Implant Group Symposium What every ENT surgeon needs to know about hearing implants	GPwSI ENT Symposium
11.00 - 11.45	Refreshments, networking, poster and exhibition viewing								
11.45 - 13.15	Session 79	Session 80	Session 81	Session 82	Session 83	Session 84	Session 85		
	Charter 4	Charter 1	Exchange 11	Exchange Auditorium	Charter 2	Exchange 9	Charter 3		
	BSO Keynote Hearing loss through the ages	FPS Cadaver Dissection Evolution of facelift technique	BSBS Keynote The future of skull base surgery	BLA/BAPO Collaborative Voice: evolution, assesment and reinnervation	Indian Academy of Otolaryngology-Head and Neck Surgery Symposium Affordable advanced technology in India (Part 2) and Fellowship Programmes	HNSOC Keynote Robotics in head and neck surgery	BRS/FPS Collaborative Rhinoplasty - form and function		
13:15 - 14:15	Lunch & close of exhibition								
14.15 - 15.15	Session 87	Session 88	Session 89	Session 90	Session 91	Session 92	Session 93	Session 94	Session 95
	Exchange Auditorium	Charter 1	Exchange 9	Exchange 11	Exchange 10	Charter 2	Charter 4	Charter 3	Exchange 1
	TWJ Lecture Medicolegal aspects of Otology	BSBS Cadaver Dissection Approaches to the petrous apex and central skull base	FPS Update Pearls in facial plastic surgery	Education Symposium Novel techniques in education: spreading the word	British Society of Audiology Symposium The complex patient and you	BLA Symposium Dysphagia in the 21st Century: more than biomechanics	ENT Scotland Symposium ENT practice and innovation in Scotland	HNSOC Symposium Thyroid	GPwSI ENT Symposium
15.30 - 16.00	Closing Ceremony - Exchange Auditorium
